Join the City of Cannes local charity as a patron:  
give to the projects that matter to you  
and be at the core of city life

The City Council of Cannes, alongside with seven local businesses and individual donors have created the Cannes Community Fund. This local charity raises financial contributions and provides grants to support arts and cultures, the protection of historic and environmental heritage, personal development through sports, education, international exchanges and assistance to vulnerable, elder or disabled people.

The Cannes Community Fund is regulated under French national law « Loi du n°2008-776 du 4 août 2008 de modernisation de l'économie et le décret n°2009-158 du 11 février 2009 relatif aux fonds de dotation ». It is registered as an official charitable organization since October 2015.

**The Fund's objectives are twofold**

- Create a true and long lasting solidarity between temporary and permanent, local and foreign inhabitants of the city who care about Cannes.
- Allow inhabitants and businesses to efficiently provide concrete support to the projects of their choice.

The Fund helps the donors to identify the beneficiaries and precisely allocate the charitable contributions.

**The governance of the Fund**

The Cannes Community Fund is committed to the highest transparency standards. We monitor the progress of the projects and provide to the patrons grant reports on a regular basis. The fund is administrated by a governing board composed of:

- Representatives of The City Council of Cannes
- The seven individual and corporate founding donors
- Qualified board members: the City's Social Action Center, Mr. Yann Arthus-Bertrand (Photographer, environmentalist and President of the GoodPlanet foundation), Mr. Gilles Jacob (former President of the International Cannes Film Festival, President of the Cinefondation).
- Representatives of the patrons (to be designated)

With the Cannes Community Fund,  
be a committed citizen of the city and participate  
directly to enhance local well-being
